ABOUT THE PRODUCT

All materials are sourced for their unique quality and are carefully crafted. Any incidental marks, tonal changes and/or textural variances are part of the material's natural characteristics and should not be considered as imperfections.

STORYTILES

All tiles are baked in traditional Dutch ovens at a high temperature. Each product is unique, as it is hand baked and designed in Holland. The StoryTiles are heat, UV and water-resistant. You can easily clean this product with a soft cloth.

Some tiles have a touch of gold in the design. A shiny golden detail which makes the tile extra special.
